

CORE + ORR

2023 OUTDOOR RECREATION WORKFORCE CONFERENCE

Employee Housing Workshop + Happy Hour with Tieton Cabin

WE CAN'T TALK ABOUT THE **OUTDOOR RECREATION WORKFORCE** WITHOUT TALKING ABOUT **AFFORDABLE HOUSING**.

Affordable housing is a leading barrier to recruiting hard-to-fill jobs in the outdoor recreation economy. As housing costs in recreation counties is higher than in non-recreation counties, many outdoor recreation organizations are looking for innovative solutions.

Help to uncover the workforce housing needs of the outdoor recreation industry.

Join **Tieton Cabin Company**, **Clark Construction Inc.**, and **GLI Advisors** for happy hour at Hanai Foundation to discuss workforce housing and its impact on the outdoor recreation economy. Collaborate with employee housing experts to identify prefab housing solutions. Drinks and snacks are included.

Tieton Cabin Company

Tieton Cabin Company is launching in 2023 with high quality, sustainable, ready-built cabins designed for the outdoor recreation community of Tieton, WA.

Clark Construction Inc.

Founded in 2006 on Bainbridge Island, WA, Clark Construction Inc. offers top-level project managers and exceptional construction teams with experience in a broad range of projects and companies.

GLI Advisors

GLI Advisors is made up of a team of general contractors and real estate developers. They use client needs, the contractor's approach, and the projects needs to facilitate cost effective, efficient, and on time projects.
