Join Ethnic Studies faculty from Oregon State University for this timely and essential training.

**JUNE 27-30, 2022**
**9 A.M. - 5 P.M.**
OSU Portland Center

The Ethnic Studies Summer Institute will offer support for K-12 educators and an opportunity to learn more about ethnic studies as a field, its pedagogical approaches and how to use key critical frameworks.

Implementing the new standards from HB 2845 is not just a question of what to teach, but also how to teach ethnic studies effectively, and this summer institute helps educators envision ethnic studies within their own classrooms.
